(Affiliated with Lincoln University College, Malaysia)

## Detailed Academic Calendar — Summer Semester 2026

Bachelor's Programme (Semesters: II, IV, VI, VIII)

(2083 Bikram Sambat / May Intake 2026)

This academic calendar is prepared in accordance with the May Intake 2026 schedule provided by Lincoln University College (LUC), Malaysia, and adapted for Balmiki Lincoln College, Nepal. It integrates Nepali public holidays in line with the official Nepali calendar (Bikram Sambat 2083) and follows a Monday–Friday academic week, with Saturday and Sunday as weekly holidays. Internal assessment is conducted through a Mid-Term Examination held during Class Week 19 (Bhadra 22–26), followed by individual assignments and viva voce interviews in the post-mid-term period. A seven-day study leave is provided prior to the University Final Examination. The Pre-Board examination prescribed by LUC is not conducted at this college; its purpose is fulfilled through continuous internal assessment, assignments, and viva voce.

### I. Daily Academic Calendar: Baisakh 2083 – Asoj 2083 (May – October 2026)

Note: The academic week runs from Monday to Friday. Saturdays and Sundays are weekly holidays.

## II. Summary of Working Days (Baisakh 28 – Asoj 9, 2083)

The following summary covers the active teaching period from Baisakh 28, 2083 (May 11, 2026) to Asoj 9, 2083 (September 25, 2026) — a span of 138 calendar days from the resumption of regular classes after Mother's Day through the end of the post-mid-term revision period. Mid-Term Examination days are reported separately and are not included in the lecture-day count. The pre-final study leave (Asoj 11–17) and the University Final Examination (Asoj 18–23) fall outside this counting window.

### Lecture-Week Breakdown (Class Weeks 1 – 18)

The semester is structured around 18 labeled lecture weeks (Class Week 1 through Class Week 18), running from May 4, 2026 to September 4, 2026. After Class Week 18, the Mid-Term Examination is held during what would otherwise be Class Week 19 (Bhadra 22–26 / Sep 7–11). The table below shows the lecture-day count for each labeled week, accounting for public holidays that fell within working days.

### III. Key Academic Policies & Notes

- **Academic Week:** All academic and administrative activities follow the Monday–Friday schedule. Saturday and Sunday are designated weekly holidays.
- **Attendance Requirement:** Students must maintain a minimum of 80% attendance in all courses to be eligible to appear in the University Final Examination.
- **Internal Assessment:** Internal assessment comprises the Mid-Term Examination (Class Week 19, Bhadra 22–26), written assignments, classroom participation, and viva voce interviews conducted in the post-mid-term period.
- **Pre-Board Examination:** Balmiki Lincoln College does not conduct a separate Pre-Board examination. Its purpose is met through continuous internal assessment after the Mid-Term.
- **Study Leave:** A seven-day study leave precedes the University Final Examination so that students may revise and prepare.
- **Examination Policy:** All examinations (Mid-Term and University Final) are mandatory. Re-examination of internal assessments missed without prior approval is not permitted except in cases of severe medical emergency, subject to administrative approval.
- **Public Holidays:** The college observes national holidays declared by the Government of Nepal. Festival holidays applicable to specific communities or to the Kathmandu Valley only (e.g., Gai Jatra, Indra Jatra, Ghode Jatra) are not observed at this campus unless separately notified.
- Balmiki Lincoln College reserves the right to amend this academic calendar as required. Any changes will be formally communicated to students and faculty.
